7 jurisdiction over the claims arising under state law pursuant to 28 U.S.C. §1367(a) in that the
8 state claims are so related to the claims over which the court has original jurisdiction that they
9 form part of the same case or controversy. Additionally, this Court has subject matter
10 jurisdiction over all of the photographs, inclusive of the unregistered images. (*See e.g. Perfect*
11 *10, Inc. v. Amazon.com, Inc.*, 508 F.3d 1146, 1154 [9th Cir. 2007]; *Olan Mills, Inc. v. Linn Photo*
12 *Co.*, 23 F.3d 1345, 1349 [8th Cir. 1994]; *Pac. & S. Co., Inc. v. Duncan*, 744 F.2d 1490, 1499 n.
13 17 [11th Cir. 1984]).

14 4. This Court has personal jurisdiction over Jonathan London because Jonathan
15 London maintains its principal place of business in California and purposely directs substantial
16 activities at the residents of California by means of the website described herein. This Court also
17 has personal jurisdiction over the Defendant(s) under the applicable long-arm jurisdictional
18 statutes of California.

19 5. Venue is proper under 28 U.S.C. §1391(a)(2) because Jonathan London does
20 business in this Judicial District and/or because a substantial part of the events or omissions
21 giving rise to the claim occurred in this Judicial District.

22 PARTIES

23 6. BWP is a California Corporation and maintains its principal place of business in
24 Los Angeles County, California.

25 7. On information and belief, Defendant Jonathan London, is an individual who is a
26 citizen of the State of California with a principal place of business in Los Angeles County,
27 California and is liable and responsible to Plaintiff based on the facts herein alleged.

28 FACTUAL ALLEGATIONS

1 8. Plaintiff(s) are the legal and beneficial owners of a multitude of photographs
2 which they license to online and print publications and have invested significant time and money
3 in building their photograph portfolios.

4 9. Plaintiff(s) have obtained several active and valid copyright registrations with the
5 United States Copyright Office (the "USCO"), which registrations cover many of their
6 photographs and many others are the subject of pending copyright applications.

8 protectable copyright interests.

9 11. Defendant(s) are the registered owner of the Websites and are responsible for
10 their content.

11 12. The Websites are monetized in that they contain paid advertisements and/or sell
12 merchandise to the public and, on information and belief, Defendant(s) profit from these
13 activities.

14 13. Without permission or authorization from Plaintiff(s), Defendant(s) copied,
15 modified, and/or displayed Plaintiff(s) rights protected photographs (hereinafter collectively
16 referred to as "*Photograph(s)*"), as set forth in Exhibit "1" which is annexed hereto and
17 incorporated in its entirety herein, on the Websites.

24 transitory duration and constitutes a specific item of infringement. (*See 17 U.S.C. §106(5);*
25 *Perfect 10, Inc. v. Amazon.com, Inc.*, 508 F.3d 1146, 1160 [9th Cir. 2007]).

26 16. On information and belief, Defendant(s) were aware of facts or circumstances
27 from which the determination regarding the Infringement(s) was apparent. Based on the totality
28

1 of the circumstances, Defendant(s) cannot claim that they were not aware of the infringing
 2 activities, including the specific Infringement(s) which form the basis of this complaint, on the
 3 Website(s) since such a claim would amount to only willful blindness to the Infringement(s) on
 4 the part of Defendant(s).

5 17. On information and belief, Defendant(s) engaged in the Infringement(s)
 6 knowingly and in violation of applicable United States Copyright Laws.

 12 merchandise sales. (*See 17 U.S.C. §512(c)(1)(B)*).

21 23. Plaintiff(s) have not licensed Defendant(s) the right to use the Photograph(s) in
 22 any manner, nor have Plaintiff(s) assigned any of its exclusive rights in the Copyrights to
 23 Defendant(s).

24 24. Without permission or authorization from Plaintiff(s) and in willful violation of
 25 their rights under 17 U.S.C. §106, Defendant(s) improperly and illegally copied, reproduced,
 26 distributed, adapted, and/or publicly displayed works copyrighted by Plaintiff.

27 25. Defendant(s)' reproduction of the Photograph(s) and display of the Photograph(s)
 28 on the Website(s) constitutes willful copyright infringement.

1 26. On information and belief, thousands of people have viewed the unlawful copies
2 of the Photograph(s) on the Website(s).

14 infringers since they had actual and/or constructive knowledge of another's infringing conduct
15 and induced, caused and/or materially contributed to that conduct. (See e.g., *Perfect 10, Inc. v.*

Amazon.com, Inc.*, 508 F.3d. 1146, 1171 [9th Cir. 2007]; *Metro-Goldwyn-Mayer Studios Inc. v. Grokster, Ltd.*, 545 U.S. 913, 929-30 [2005]).
